HUMANESOCIETY

# COMING SOON!

## KEARNS DRIVE CAMPUS SITE PLAN - FUTURE HOME OF CCHS

- Demolition and site cleanup occurred in Fall 2021. Construction began at the end of November, and progress has been steady.
- Focus has been on the MAIN BUILDING, which will house most of our shelter operations including the adoption center, veterinary department, and administrative offices.
- Exterior walls had to be in-filled where large garage/warehouse doors had been.
- First floor studs are in place, electrical wiring and plumbing lines are being installed, and second floor studs are going in.

## FUNDING OPPORTUNITIES

Contact Development Director  
Sarah Sheppard at [sarah@cuhumane.org](mailto:sarah@cuhumane.org)

Although we're not re-opening our capital campaign, we welcome donations for the following *specific* needs:

- IT infrastructure and hardware (server and work stations).
- Large flat-screen monitors for conference room and Education Building.
- Durable flooring for the dog training area.
- Special equipment for kennel cleaning & maintenance.
